Say goodbye to Jr. High

Every time I see your face, oh  
I remember the way we used to say, oh  
That we had a good time  
and now we'll have a good life...  
Good life

So goodbye time, and goodbye friend  
(when) I see you again will you remember my name  
Hey, hey, hey  
Every time I see your face you know I'll be missing you one day  
But we had a good time, we had a good time

Say goodbye to Jr. High  
hey, hey  
I'll see you again  
Say goodbye to Jr. High  
We had a good time
