

Soldier Of Love

Emmelie de Forest

Do you think that we can grow?
Do you think that we can grow in the same way?
Do you think that we can know?
I don't think that is ever gonna change

'Cause you will not love me now
You won't love me though I beg you to
And I am bleeding out

This war is in my head and in my heart (A soldier of love)
These words you say are tearing me apart (A soldier of love)
I can't keep on fighting (A soldier of love)
I can't keep on fighting

I know that I can bend
I know that I can bend as far as you
And my spine is giving in
It's been twisted into shapes I never knew

'Cause you cannot love me now
You can't love me, though you wish you could
And I am bleeding out

This war is in my head and in my heart (A soldier of love)
These words you say are tearing me apart (A soldier of love)
I can't keep on fighting (A soldier of love)
I can't keep on fighting, fighting

No, you cannot love me now
You can't love me and you never could
And I am losing ground
I can't make you feel the way you should

This war is in my head and in my heart
These words you say are tearing me apart
I can't keep on fighting (A soldier of love)
I can't keep on fighting (A soldier of love)
Fighting (A soldier of love)
