

Cries of Credo

Emmure

"Rape" he screams.
In tongues Ive never heard before.
A world full of deceivers but I believe in you.
Cries of Credo.
How dare they ignore you.
God where are you?
"Rape" he screams.
In tongues Ive never heard before.
Why is truth so easily ignored?
God where are you?
"Rape" he screams.
In tongues Ive never heard before.
A world full of deceivers but I believe in you.
Cries of Credo.
I believe in you.
