

Most Hated

Emmure

This is what I'm all about.
No regrets, no fucking doubts.
So you better watch your fucking mouth.
Before I put you on the fucking ground.
Bitch.

Yeah I'm the motherfucker people always talking about.
(Ah shit)
I see you standing arms crossed tryna stare me down.
(Get bent)
And if you wanna see me fail I'll say it nice and loud.
(Eat dick)
And you can hate me all you want because I don't give a shit.

I'm not done.
In fact I'm just getting started.
On my grind.
True God is an understatement.

Yeah I'm the motherfucker people always talking about.
(Ah shit)
I see you standing arms crossed tryna stare me down.
(Get bent)
And if you wanna see me fail I'll say it nice and loud.
(Eat dick)
And you can hate me all you want because I don't give a shit.

So who the fuck are you?
What do you want?
So who the fuck are you?
What do you want?

This is what I'm all about.
No regrets, no fucking doubts.
So you better watch your fucking mouth.
Before I put you on the fucking ground.

Yeah.
Bitch.

Yeah I'm the motherfucker people always talking about.
