

I draw my line in the sand  
Choose your side  
If this is becoming a man  
Then I am God-like  
Bow down to me  
I'm here to break the cipher  
I never wanted it to come to this  
But if your not with me  
Then you can  
GET OUT  
All of your suffering is proof of my righteousness  
I wish those Guido's fucking killed you  
It feels so good to watch you fail  
What the fuck did you think?  
Did you think that we would be friends?  
Karma has come to collect  
Yeah this is what you get

I draw my line in the sand  
Choose your side  
If this is becoming a man  
Then I am God-like  
God-like  
I pray, I pray her cancer is coming back  
Your broken face won't be the only mess  
Karma has come to collect
