

Swimming Pool

Emmy the Great

You're so high, you look a good time
A straight line in the sky
jump into your blue swimming pool
And so clean, and so-so new
I reach out and touch you but you jump into your blue swimming
pool

Hey, rich kid, I-I want it
Sunshine, the tan line
A good time
In your blue swimming pool

Love is somethin' that I've always thought I could neva go insi
de
Now I've seen you here, I don't know, I even used to be alike
Can I stay here for a while? Watch you till my heart unwinds
Till I know I won't forget you... In your swimming pool
