

Clocks

Emmylou Harris

Old brown clock ticking on my shelf
Take my mind to someplace else
Little gold clock ticking by my bed
Funny little people dancing 'round my head

Morning brings me things to do
Morning brings me thoughts of you
Gentle sunshine through the curtain lace
Some of which shining on your sweet face

Counting hours making days
Watching time throwing love away
Nothing golden never stays
That's what I heard the poets say Mmm ...

Time is always taking me
Places I don't want to be
But when the morning rise the moon
I know a bird day's coming soon

Counting hours making days
Watching time throwing love away
Nothing golden never stays
That's what I heard the poets say Mmm ...

Morning brings me things to do
Morning brings me thoughts of you
Gentle sunshine through the curtain lace
Some of which shining on your sweet face
