Get Up John

Emmylou Harris

I never thought I'd need you But now I find I'm wrong Come on back, sweet mama Back where you belong I've rambled over town To find that I can't win Come on back and pick me up again Now, if I lose (If I lose) Let me lose (Let me lose) I don't care (I don't care) How much I lose If I lose a hundred dollars While I'm tryin' to win a dime? My baby, she's got money all the time Of all the other gals I've known There's none to take your place 'Cause when I get into a jam They just ain't in the race So, now that you're back here Let's take another round With you here by my side Babe, the deal just can't go down Now, if I lose (If I lose) Let me lose (Let me lose) I don't care (I don't care) How much I lose If I lose a hundred dollars While I'm tryin' to win a dime? My baby, she's got money all the time Now, if I lose (If I lose) Let me lose (Let me lose) I don't care (I don't care) How much I lose If I lose a hundred dollars While I'm tryin' to win a dime? My baby, she's got money all the time
