

If I Needed You

Emmylou Harris

If I needed you would you come to me
Would you come to me for to ease my pain
If you needed me I would come to you
I would swim the seas for to ease your pain

Well the night's forlorn and the morning's born
And the morning shines with the lights of love
And you'll miss sunrise if you close your eyes
And that would break my heart in two

If I needed you would you come to me
Would you come to me for to ease my pain
If you needed me I would come to you
I would swim the seas for to ease your pain

Baby's with me now since I showed her how
To lay her lilly hand in mine
Who would I'll agree she's a sight to see
A treasure for the poor to find

If I needed you would you come to me
Would you come to me for to ease my pain
If you needed me I would come to you
I would swim the seas for to ease your pain
