

Just Someone I Used to Know

Emmylou Harris

There's a picture that I carry
One we made sometime ago
When they ask who's in the picture with me
I say just someone I use to know

Just someone I use to spend some time with
Just a flame that lost its glow
And I don't tell them how lost I am without you
I say just someone I use to know

Just someone I use to run around with
Just a friend from long ago
I don't tell them all the nights I cry without you
I say just someone I use to know
I say just someone I use to know
