## **Lonely Street**

## **Emmylou Harris**

I'm looking for that lonely street
I've got a sad, sad tale to tell
I need a place to go and weep
Where's this place called lonely street

A place where there's just loneliness Where dim lights bring forgetfulness Where broken dreams and memories meet Where's this place called lonely street

Perhaps upon that lonely street There's someone such as I Who came to bury broken dreams And watch an old love die

A place where there's just loneliness Where dim lights bring forgetfulness Where broken dreams and memories meet Where's this place called lonely street Where's this place called lonely street
