

May This Be Love

Emmylou Harris

Waterfall
Nothing can go wrong
Nothing can go wrong
My sweet waterfall

When I go
When I go down deep
I want you here with me
My sweet waterfall

I can see
A rainbow calling me
Through your mystery
My sweet waterfall

Waterfall
For a million day
Fall with me for a million days
My sweet waterfall

Waterfall
Nothing can go wrong
Nothing can go wrong
My sweet waterfall
Nothing can go wrong
My sweet waterfall
