

# Mystery Train

Emmylou Harris

Train arrive 16 coaches long  
Train arrive 16 coaches long  
Well, that long black train  
Took my baby back home

Train train, rolling round the bend  
Train train, rolling round the bend  
Well, it took my baby  
Away from me again

Went down to the station  
To meet my baby at the gate  
Ask the station master  
If her train is running late

He said no if your wait  
On that old 44  
I hate to tell you son  
But that train don't stop her anymore

Train train, rolling round the bend  
Train train, rolling round the bend  
Well, it took my baby  
Away from me again

Heard that whistle blowing  
It was the middle of the night  
When I got down to the station  
The train was rolling out of site

Mystery train, rolling round the bend  
Mystery train, rolling round the bend  
Well, it took my baby  
Away from me again
