

# One Big Love

Emmylou Harris

Let's take a ride to the seaside  
We can go out swimming in the high tide  
Just wear your shorts and your long hair  
Don't forget the lawn chair

Everybody's gone to the movies  
Everybody's gone and it's groovy  
They went to the one about the big war  
I didn't, I'd seen it before

I guess I'm taking my chances  
Giving up the ring throwing in my gloves  
I guess I'm taking my chances  
Trading in my things for a couple wings  
On a little white dove  
And one big love, one big love  
(One big love, one big love)

Everybody do like a monkey  
If you want to go on and be funky  
No need to talk like a hero  
Take a walk and count down to zero

No sense defending your honor  
Just go on and kiss him if you wanna  
Everything before is gone  
Or going somewhere

I guess I'm taking my chances  
Giving up the ring throwing in my gloves  
I guess I'm taking my chances  
Trading in my things for a couple wings  
On a little white dove  
And one big love, one big love  
(One big love, one big love)

I don't know where we are and I don't care  
And now we're out of gas and riding on air  
And one big love, one big love  
(One big love, one big love)

Let's take a ride to the seaside  
We can go out swimming in the high tide  
(One big love, one big love, one big love)  
Everybody's gone to the movies  
Everybody's gone and it's groovy  
(One big love, one big love, one big love)

Everybody do like a monkey  
If you want to go on and be funky  
(One big love, one big love, one big love)  
No need to talk like a hero  
Take a walk and count down to zero  
(One big love, one big love, one big love)

No sense defending your honor  
Just go on and kiss him if you wanna

(One big love, one big love, one big love)

One big love

One big love

One big love
