

# She

Emmylou Harris

She ...  
She came from the land of the cotton  
A land that was nearly forgotten  
By everyone  
And she ...  
She worked and she slaved so hard  
A big ol' field was her backyard  
In the delta sun  
Oh, but she sure could sing  
Yes, yes  
She sure could sing

Then he ...  
Looked down and he took a little pity  
The whole town swore he decided  
He help her some  
And he  
Didn't mind if she wasn't very pretty  
For deep inside his heart he knew  
She was the only one  
Oh, but she sure could sing  
My, my she sure could sing  
She had faith and she had believin'  
She led all the people together in singin'  
And she prayed very night  
To the lord up above  
Singin' hallelujah  
Oh, hallelujah

They ...  
Would walk singin' songs by the river  
Even when she knew for sure  
She had to go away  
And she  
Never knew what her life had to give her  
And never had to worry about it  
For one single day  
Oh, but she sure could sing  
Yes, yes she sure could sing
