

Sweet Dreams

Emmylou Harris

Sweet dreams of you
Every night I go through
Why can't I forget you and start my life anew
Instead of having sweet dreams about you
You don't love me, it's plain
I should have known you'll never wear my ring
I know I should hate you the whole night through
Instead of having sweet dreams about you

Sweet dreams of you
Every night I go through
Why can't I forget you start loving someone new
Instead of having sweet dreams about you
Instead of having sweet dreams about you
