## To Know Him Is to Love Him

## **Emmylou Harris**

To know know how him is to love love him Just to see him smile makes my life worthwhile To know know how him is to love love him and I do

I'll be good to him I'll bring love too him
Everyone says, "There'll come a day when I'll walk alongside of
him"
Yes just to know him is to love love love him and I do

Why can't he see how blind can he be? Someday he will see that he was meant for me

To know know know him is to love love him Just to see him smile makes my life worthwhile To know know how him is to love love how him and I do
