

# Too Far Gone

Emmylou Harris

I know that somewhere  
There's someone you love more than me  
Someone you love more than me

And I hate to say it  
But you have a right to be free  
I know that's the way it should be

But I'm too far gone  
Too far gone  
I've loved you so much for so long  
And I'm too far gone

If ever your new love  
Should hurt you or make you feel blue  
Hurt you or make you feel blue

Just remember your old love  
Will still be around loving you  
I'll be around loving you

'Cause I'm too far gone  
Too far gone  
I love you so much for so long  
And I'm too far gone
