

## Two More Bottles of Wine

Emmylou Harris

We came out west together with a common desire  
The fever we had mighta set the West Coast on fire  
Two months later got trouble in mind  
Oh my baby moved out and left me behind

But it's all right 'cause it's midnight  
And I got two more bottles of wine

The way he left sure turned my head around  
Seemed like overnight it just up and put me down  
Well I ain't gonna let it bother me today  
I've been workin' and I'm too tired anyway

But it's all right, midnight  
And I got two more bottles of wine

Well I'm sixteen hundred miles from the people I know  
Have been doin' all I can but opportunity sure come slow  
Well I'd be in the sun all day  
But I'm sweepin' out a warehouse in West L.A.

But it's all right 'cause it's midnight  
And I got two more bottles of wine

I'm sixteen hundred miles from the people I know  
Been doin' all I can but opportunity sure come slow  
Lord, I'd be in the sun all day  
But I'm sweepin' out a warehouse in West L.A.

But it's all right 'cause it's midnight  
And I got two more bottles of wine  
Yes, it's all right 'cause it's midnight  
And I got two more bottles of wine  
Yes, it's all right 'cause it's midnight  
And I got two more bottles of wine
