

You Don't Know Me

Emmylou Harris

You give your hand to me and then you say hello and I can hardly speak
My heart is beating so
And anyone could tell you think you know me well
But you don't know me

No you don't know the one who dreams of you at night
And longs to kiss your lips and longs to hold you tight
I'm just a friend that's all I've ever been
But you don't know me

For I never knew the art of making love
Though my heart aches with love for you
Afraid and shy I let my chance go by
The chance that you might love me too

For I never knew the art of making love
Though my heart aches with love for you
Afraid and shy I let my chance go by
The chance that you might love me too

You give your hand to me and then you say goodbye
I watch you walk away and in my heart I cry
To never never know the one who loves you so cause you don't know me
