## **Cromlech**

## **Emperor**

Into the abyss I fall and Dark is the reich of the dead. A portal to reach to the side where bodies fall from the sky.

Solitude and Peace of Mind. Entombed in Cromlech.

Yes, flee over the River Styx and join the dead with joy. An ocean of Blasphemy, Heathenish realm and "Do What Thou Wilt" as decoy.

My Prophecy is true...
We'll all make it through.
