

# The Prophet

Emperor

... and as if awoken from eternal sleep  
he sought a mentor

for he no longer knew his position

"It is time after miracles  
and I am its prophet  
I have not come to cure  
but to bear witness decease"

"It is the place where blood and soil  
lie beyond the boundaries of the sun  
and I am its prophet  
I cast the shadow  
I absorb the light"

"I am the prophet  
I bear witness  
I absorb  
I cry"

"As I die  
I shall burst wide open  
As I die  
I shall release the apocalypse  
my prophecy  
Thus, I hold on to faith  
Thus, I keep the hope  
That it will prosper  
and devour"

"It is time after miracles  
and I am its prophet  
I have not come to cure  
but to bear witness decease"

... and pain joined his urge to perceive
