

# Get Paid

Emphatic

I'm not down with your bad intentions  
I'm not down with your complaints  
I'm not down with your exceptions  
Get off my ass 'cause I'm okay

I'm sick and tired of your solutions  
I'm sick and tired of your masquerade  
Get off my ass with your resolutions  
Get off my ass 'cause I'm okay

Put your money  
Put your money where your mouth is  
Put your money where your mouth is

I wanna get paid, be a billionaire, I wanna be rich  
(Hey, hey)  
I wanna get laid like I just don't care, life's a bitch  
(Hey, hey)

I wanna get paid, be a billionaire, I wanna be rich  
I wanna get laid like I just don't care  
Drinks on me, drinks on me

I wanna get paid, I wanna get paid  
Take the money, take the money and run  
Take the money, take the money and run

I like the feel of gettin' dirty  
I like the feel of high octane  
I like to feel the way you scratch me  
Lick the wound I love your pain

Put your money  
Put your money where your mouth is  
Put your money where your mouth is

I wanna get paid, be a billionaire, I wanna be rich  
(Hey, hey)  
I wanna get laid like I just don't care, life's a bitch  
(Hey, hey)

I wanna get paid, be a billionaire, I wanna be rich  
(Hey, hey)  
I wanna get laid like I just don't care  
Drinks on me, drinks on me

I wanna get paid  
Take the money, take the money and run  
I wanna get paid  
Take the money, take the money and run  
Motherfuckin' get paid

Put your money  
Put your money where your mouth is  
Put your money where your mouth is

I wanna get paid, be a billionaire, I wanna be rich

(Hey, hey)  
I wanna get laid like I just don't care, life's a bitch  
(Hey, hey)

I wanna get paid, be a billionaire, I wanna be rich  
(Hey, hey)  
I wanna get laid like I just don't care  
Drinks on me, hey

I wanna get paid, get paid, get paid  
Take the money, take the money and run  
I wanna get paid, get paid, get paid  
Take the money, take the money and run  
I wanna get paid, I wanna get fuckin' paid
