

Alive

Empire of the Sun

1. Days go by my window
World slows down as it goes
Goodbye to last night
Lost my eyesight
Can't you help me see?
(They won't get right)

R: Love you every minute cause you make me feel so alive
Love you every minute cause you make me feel so alive
Alive, alive, alive

2. Waking in the snow
Tracing steps of you
Swimming through the snow
Wrapped in, proud we'll go
Can't you help me see?
(They won't get right)

R:

Can you describe to me
All the world that you see?
Oh I need you so much,
I'll just wait
Freedom is within you
Giving makes us feel good
Hello to our people
Say hello to the future

Freedom is within you
Giving makes us feel good
Hello to our people
Say hello to the future

R: +

Love you every minute cause you make me feel so alive
Love every minute cause you make me feel so alive
Alive, alive, alive
