## Empire of the Sun

Is there a part of me, that's part of you?  
If I shed a tear, baby do it then  
Is there a part of me that goes to you?  
Is there a part to you I haven't seen

Give it up and I don't know why  
You are never rising  
I just wanted you  
Will I show you a part is over me?  
You're my life  
You're my life  
You're my life

Movement slows  
Awakening, we make believe  
Awakening  
Movement slows  
Awakening, we make believe  
Awakening

I looked through the spots when I spotted you  
Making you girls seen that I'm okay  
Are you a star? Here's a part of you  
Empire of Sun, deep into the flame

Give it up and I don't know why  
You are never rising  
I just wanted you  
Will I show you a part is over me?  
You're my life  
You're my life  
You're my life

Movement slows  
Awakening, we make believe  
Awakening  
Movement slows  
Awakening, we make believe  
Awakening

Awakening  
Awakening

If I climb away before I do that  
Yes I'll hide away from a dream yea  
That's a place we were from here  
That's a place that's far from here

Movement slows  
Awakening, we make believe  
Awakening  
Movement slows  
Awakening, we make believe  
Awakening
