

Swordfish Hotkiss Night

Empire of the Sun

Got you everything I wanted
When I wasn't sitting on it
Got you everything I wanted
When I wasn't sitting on it

Got you everything I wanted
When I wasn't sitting on it
Got you everything I wanted
When I wasn't sitting on it

Swordfish hotkiss night
Breathing to the beat
Push it in the wind
Calling all the life forms

Swordfish hotkiss night
Breathing to the beat
Push it in the wind
Calling all the life forms

Got you everything I wanted
When I wasn't sitting on it
Got you everything I wanted
When I wasn't sitting on it

Got you everything I wanted
When I wasn't sitting on it
Got you everything I wanted
When I wasn't sitting on it

Kings Cross, hot shot
Jesus Christ on web blog
Cowboy at a cop shop
Tiger in a drug store

Days go by days
All we do is roll on
Days show my ways
When I, when I
When I, when I

Hotdog belt, donut melt
Magpie knelt by itself
Monster goons, magnet moves
Diamonds in a harlot douche

Days go by days
All we do is roll on
Days show my ways
When I, when I
When I, when I dream

Mansion in my mouth
Money's gone south
Sherbet in my shout
Tongue lashed out

Mansion in my mouth
Money's gone south
Sherbet in my shout
Tongue lashed out

Swordfish hotkiss night
Breathing to the beat
Push it in the wind
Calling all the life forms

Swordfish hotkiss night
Breathing to the beat
Push it in the wind
Calling all the life forms

Days go by days
All we do is roll on
Days show my ways
When I, when I
When I, when I

All we do is roll on
Days show my ways
When I, when I
When I, when I
