

Quiet

Empyr

Right place
Everybody's waiting for the right plan
Turn me on, turn me loose!
Nonsense
Everybody's waiting for the last ride
Turn me on I won't stay

Quiet
Will you stay quiet
Everybody sing hoo!
Will you stay quiet

Strange game
You can't find your way between pride or fame
Set it off, set it off!
Last chance
Open up your eyes open your own grave
Turn me on
I won't stay

Quiet
Will you stay quiet
Everybody sing hoo!
Will you stay quiet

Run, just run!

Will you stay quiet
Everybody sing hoo!
Will you stay quiet
I will stay quiet
Will you stay quiet
Everybody sing hoo!
Will you stay quiet

Turn me on, turn me loose!
Turn me on, turn me loose!
Turn me on, turn me off!
