

## Careful

En Vogue

Crying in the inside, so many men but so unhappy. I gave my love to any man who smiled at me. I played the game of love with no rules and when it was all over I was the fool. Somehow I had to get it right just on time.

For once in my life I was careful. For once in my life showed me how much you care and I 'm so grateful. For once in my life I 'm so glad I was careful. For once in my life now I have a love so sweet and I'm so thankful.

With a closed heart never let emotions tear me apart, I had to have the upper hand to be cruel to be hard I didn't care to man oh oooh. I was still hurting inside hanging on to pride. I just about died when you found me and gave me good love and now I know I did the right thing.
