

# Does Anybody Hear Me

En Vogue

Does anybody hear me?  
Is anybody listening to what's going on?  
Before we move on.  
Does anybody hear me?  
Is anybody listening?  
How can we change hate?  
Before it's too late?

Young with dreams, (ooo oo)  
Had 'em for a long time (ooo oo)  
Well nothing's impossible  
As long as you put your mind to it.  
Sometimes you wanna let go  
Hold on tight  
But you gotta believe  
With God on your side

Does anybody hear me?  
Is anybody listening to what's going on?  
Before we move on.  
Does anybody hear me?  
Is anybody listening?  
How can we change hate?  
Before it's too late?

Happy, (ooo oo)  
That's all you'll ever wanna be. (ooo oo)  
Well, knowledge is power,  
Absorb as much as you need  
At times I feel like love passed me by  
Just imagine how the kids feel inside.

Does anybody hear me?  
Is anybody listening to what's going on?  
Before we move on.  
Does anybody hear me?  
Is anybody listening?  
How can we change hate?  
Before it's too late?

Does anybody hear me? (when you feel you need a friend)  
(anybody listening...)  
Is anybody listening to what's going on?  
(on... yeah, yeah, yeah)  
Before we move on.
