

## Giving Him Something He Can Feel

En Vogue

Many say  
That I'm too young  
To let you know just where I'm coming from.  
But you will see  
It's just a matter of time  
My love surely make you mine

Well, i'm  
Livin' in a world of ghetto life  
Everyone is so uptight  
Nothin's wrong, it's alright, my man  
I like the way we carry on  
His love will send me on and on  
With my man  
People out there can understand

I'm givin him somethin he can feel  
To let him know this love is real  
This love is real

So much joy for us it seems  
So much hope for material things  
Are they only in my dreams?  
(hey, oh yeah)  
And that's exactly why I'm singing this song to you  
To let you know that real dreams do come true.  
You tell me what does it mean?.
