

# Hooked On Your Love

En Vogue

Your tender smile gives me happy thoughts of you  
Got me so close to my dreams now they have to come true  
Ooo baby, nothing to be shy about  
Nothing we have to lie about  
Hope lovin' you don't confuse you  
Ooo baby baby, I don't want to lose ya

And when we touch our hearts move at a steady pace  
I'm tryin' hard not to show the blushin' over my face  
Ooo yeah yeah, you bring out the woman in me  
What can I see that you can't see?  
I like the way we carry on  
Hope you understand my feelings got me just a reeling

What can I do...with this feeling?  
(Mmm Mmm)  
Hooked on your love, sweet love love  
(What can I do with this sweet sweet feeling baby)  
What can I do...with this feeling?  
(Oh Yeah)  
Hooked on your love, sweet love love  
(Oh with this feeling yeah yeah, Ooo)

Your eyes would thin me  
They send me just a starin' me down  
I'm so turned on in time, and child, I got to move around  
Ooo yes I do  
Over and over you're outstanding  
I take pleasure to have you around me  
My lovin' arms would love to squeeze ya  
Oo Oo Oo baby take it, I don't want to tease you

What can I do...with this feeling?
