## **What A Difference A Day Makes**

**En Vogue** 

What a difference a day made Twenty-four little hours Brought the sun and the flowers Where there used to be rain

My yesterday was blue, dear Today I'm part of you, dear My lonely nights are through, dear Since you said you were mine

What a difference a day makes
There's a rainbow before me
Skies above can't be stormy
Since that moment of bliss, that thrilling kiss

It's heaven when you find romance on your menu What a difference a day made
And the difference is you

What a difference a day makes
There's a rainbow before me
Skies above can't be stormy
Since that moment of bliss, that thrilling kiss

It's heaven when you find romance on your menu What a difference a day made
And the difference is you
