

Whatever

En Vogue

I'm wanting you too much
Don't take advantage of my tender heart
And everything about me
In giving you my trust
I'm giving you my love
So do take care
Please be gentle with my heart

Ah, Ah, Ah
Cause everything I do is about you baby
Ah, Ah, Ah
I don't want to ever be apart
Ah, Ah, Ah
I've been loving you from the start
Here's my hand, here's my heart
Everything I do is all about you baby

Whatever you do
Whatever you think
I look in your eyes
You don't know how my heartaches
Whatever you say
Whatever could mean
You're breaking my heart

I want it all the time
I want it every night
I can't stop thinkin'
Can't stop thikin' 'bout ya
I'm burning with desire
My heart is so on fire
So do take care please be gentle with my heart

Ah, Ah, Ah
Anything crave it baby, baby, baby
Ah, Ah, Ah
I can't get you outta my mind
Ah, Ah, Ah
Lovin' you I can't deny
You're in my heart deep inside
Everything I do is all about you baby

Whatever you do
Whatever you think
I look in your eyes
You don't know how my heartaches
Whatever you say
Whatever could mean
You're breaking my heart

I may be a fool for you baby
Well I can't help myself
Maybe I'm too in love
What else can I do but go crazy
For your love boy I'd give anything
Whatever you do

Whatever you think
I look in your eyes
You don't know how my heart aches
Whatever you say
Whatever could mean
You're breaking my heart
