

Did everybody spit upon you?  
God dealt a card you didn't ask for  
Are you the one they throw the change to  
While the other hand locks the door  
What are you in for?

What if I could rise and take this mat with me  
And what if I had eyes that couldn't help but see  
And what if I could fly, why not it's never going to be

So tell me what are you accused of  
That you should be incarcerated?  
Can you endure a life with no love  
Or is this a life at all?  
What are you in for

What if I could rise and take this mat with me  
And what if I had eyes that couldn't help but see  
And what if I could fly, why not it's never going to be

He put berries on a vine, stirred waves into the sea  
He put planets in a line, but he didn't finish me  
He made day time and the night, so you'd appreciate the sun  
I am the darkness to your light, so that you'll be glad you're  
one  
Of the lucky ones with all your sanity to spare  
So keep pretending not to see me, I'll keep pretending not to c  
are

What if I could rise and take this mat with me  
And what if I had eyes that couldn't help but see  
And what if I could fly, why not it's never going to be  
And what if I could fly and take this mat with me
