

Hopes And Dreams

Enemy You

I'll remember that old place until my dying end These thoughts
are like old photos that I cannot throw away On the quest for n
ormalcy, the grass on the other side All my hopes and my fuckin
g dreams I left burried there, somewhere far behind I'll push i
t down and turn my back no matter how I try Who I was and what
I wanted comes flooding to my mind That girl with a cause and t
he prettiest of eyes All my hopes and my fucking dreams I left
burried there, somewhere far behind
