

## Broken pieces

Engel

A broken mind live out its final call  
Looking back to where I'm used to fall  
How can I overcome and stay on top  
I have to be the one to make it stop

As I fall in to broken pieces

I am not the one  
You can kill the wrath has just begun  
I am not your fate  
I am not your fate

You took my soul and threw it far away  
Am I still waiting of that brand new day  
I never thought you'd be the one to dream  
About the darkest place inside of me

As I fall in to broken pieces

I am not the one  
You can kill the wrath has just begun  
I am not your fate  
I am not your fate
