I see your smile from across the room  
I see that you're waiting for someone  
I want to be that one standing next to you  
But you're holding the hand of another

I want to be the one  
To call when tears are falling down  
To seek when the heart is crumbling down  
I want to be the one for you  
I am falling

I never will give you up  
I will fight to the end to get you

I want to be the one  
To call when tears are falling down  
To seek when the heart is crumbling down  
I want to be the one for you  
I am falling (for you)

So will you listen to me?  
I want to feel you now

I want to be the one  
To call when tears are falling down  
To seek when the heart is crumbling down  
I want to be the one for you  
I am falling
