A Man And A Woman

Engelbert Humperdinck

When hearts are passing in the night, in the lonely night

Then they must hold each other tight, oh, so very tight And take a chance that in the light, in tomorrow's light

They'll stay together, so much in love

And in the silence of the mist, of the morning mist When lips are waiting to be kissed, longing to be kissed

Where is the reason to resist and deny a kiss That holds a promise of happiness?

Though yesterday still surrounds you with a warm and precious memory

Maybe for tomorrow we can build a new dream for you and me

This glow we feel is something rare, something really rare

So come and say you wanna to share, wanna to really share

The beauty waiting for us there, calling for us there That only loving can give the heart

When life is passing in the night, in the rushing night A man, a woman in the night, in the lonely night Must take a chance that in the light, in tomorrow's light

They'll be together, so much in love Together, so much in love

So tell me

You're not afraid to take a chance, really take a chance

Let your heart begin to dance, let it sing and dance To the music of a glance, of a fleeting glance To the music of romance, of a new romance Take a chance
