A Man Without Love

Engelbert Humperdinck

I can remember when we walked together Sharing a love I thought would last forever Moonlight to show the way so we can follow Waiting inside her eyes was my tomorrow Then somethin' changed her mind, her kisses told me I had no lovin' arms to hold me

Every day I wake up, then I start to break up Lonely is a man without love Every day I start out, then I cry my heart out Lonely is a man without love

Every day I wake up, then I start to break up Knowing that it's cloudy above Every day I start out, then I cry my heart out Lonely is a man without love

I cannot face this world that's fallen down on me So, if you see my girl please send her home to me Tell her about my heart that's slowly, slowly dying Say I can't stop myself, I'm crying

Every day I wake up, then I start to break up Lonely is a man without love Every day I start out, then I cry my heart out Lonely is a man without love

Every day I wake up, then I start to break up Knowing that it's cloudy above Every day I start out, then I cry my heart out Lonely is a man without love

Every day I wake up, then I start to break up Lonely is a man without love Every day I start out, then I cry my heart out Lonely is a man without love
