

# Call On Me

Engelbert Humperdinck

If you're all alone  
Just get on the phone and call on me  
If you're feeling blue  
All you have to do is call on me

If you feel you want somebody around  
Someone to laugh with or cry  
Call on me, call one me, woh, woh, woh

You will understand  
When I touch your hand so tenderly  
I don't want to have to tell you  
When to call on me

If you feel you want somebody around  
Someone to laugh with or cry  
Call on me, call one me, woh, woh, woh  
You can call on me

You will understand  
When I touch your hand so tenderly  
I don't want to have to tell you  
When to call on me

If you feel you want somebody around  
Someone to laugh with or cry  
Call on me, call one me, woh, woh, woh  
You can call on me
