Don't Tell Me You Love Me

Engelbert Humperdinck

I'm holding on to the past
I try to turn back time
I never though I will see the day
when you would not be mine
Oh Oh
holding on to the memories
so clear in my mind
getting by on a make believe
but I got to start baby this life
Oh don;t, tell me you love me
when you dont even care
and dont say that you'll always
be there for me
'cause I know that you wanna be free

I'm thinking what went wrong
I try to blame myself
when you turn and you walked away
tell me, you just want someone else
ooooh,loneliness is a friend of mine
yea, but I like it that way
if you can stand the test of time
when you know I won't ask you to stay

don't tell me you love me
when you don't even care
and don't say that you'll always
be there for me
'cause I know that you wanna be free

Oh oh oh how can I make you believe
this not is dying'
how can I make you believe
I got my crying, for you
crying for you
oh oh oh oh oh oh
oh oh oh oh oh
mmmm oh baby,
Oh dont tell me you love
when you don't even care
and don't say that you'll always be there
for me, 'cause I know that you wanna be free
