

Dream of me

Engelbert Humperdinck

It's hard to be away from the one you love
And the day seemed slowly drifting by
But my darling
I'd be home in your arms were I belong
So I'm sending you this poem from my heart

Dream of me when you're lonely
Dream of me when you're sad
'Cause darling I want you only
You're the nicest, nicest love I've ever had

Although we are many, many miles apart
You are always in my aching heart
But my darling
I'd be home in your arm were I belong
So I'm sending you this poem from my heart

Dream of me when you're lonely
Dream of me when you're sad
'Cause darling I want you only
You're the nicest, nicest love I've ever had

Dream of me when you're lonely
Dream of me when you're sad
'Cause darling I want you only
You're the nicest, nicest love I've ever had
So dream of me when you're lonely
Dream of me when you're sad
'Cause darling I want you only
You're the nicest, nicest love I've ever had
You're the nicest, nicest love I've ever had
So dream of me
