

# Have You Ever Really Loved A Woman

Engelbert Humperdinck

To really love a woman  
To understand her, you gotta know it deep inside  
Hear every thought, see every dream  
N' give her wings, when she wants to fly  
Then when you find yourself lyin' helpless in her arms  
You know you really love a woman

When you love a woman you tell her  
That she's really wanted  
When you love a woman you tell her that she's the one  
She needs somebody to tell her  
That it's gonna last forever  
So tell me have you ever really  
Really really ever loved a woman?

To really love a woman  
Let her hold you  
Til ya know how she needs to be touched  
You've gotta breathe her, really taste her  
Til you can feel her in your blood  
N' when you can see your unborn children in her eyes  
You know you really love a woman

When you love a woman  
You tell her that she's really wanted  
When you love a woman you tell her that she's the one  
She needs somebody to tell her  
That you'll always be together  
So tell me have you ever really  
Really really ever loved a woman?

You got to give her some faith - hold her tight  
A little tenderness - gotta treat her right  
She will be there for you, takin' good care of you  
Ya really gotta love your woman

Then when you find yourself lyin' helpless in her arms  
You know you really love a woman  
When you love a woman you tell her  
That she's really wanted  
When you love a woman you tell her that she's the one  
She needs somebody to tell her  
That it's gonna last forever  
So tell me have you ever really  
Really really ever loved a woman?

Just tell me have you ever really,  
Really, really, ever loved a woman? You got to tell me  
Just tell me have you ever really,  
Really, really, ever loved a woman?
