## **Have You Ever Really Loved A Woman**

## **Engelbert Humperdinck**

To really love a woman

To understand her, you gotta know it deep inside

Hear every thought, see every dream

N' give her wings, when she wants to fly

Then when you find yourself lyin' helpless in her arms

You know you really love a woman

When you love a woman you tell her
That she's really wanted
When you love a woman you tell her that she's the one
She needs somebody to tell her
That it's gonna last forever
So tell me have you ever really
Really really ever loved a woman?

To really love a woman

Let her hold you

Til ya know how she needs to be touched

You've gotta breathe her, really taste her

Til you can feel her in your blood

N' when you can see your unborn children in her eyes

You know you really love a woman

When you love a woman
You tell her that she's really wanted
When you love a woman you tell her that she's the one
She needs somebody to tell her
That you'll always be together
So tell me have you ever really
Really really ever loved a woman?

You got to give her some faith - hold her tight A little tenderness - gotta treat her right She will be there for you, takin' good care of you Ya really gotta love your woman

Then when you find yourself lyin' helpless in her arms You know you really love a woman When you love a woman you tell her That she's really wanted When you love a woman you tell her that she's the one She needs somebody to tell her That it's gonna last forever So tell me have you ever really Really really ever loved a woman?

Just tell me have you ever really, Really, really, ever loved a woman? You got to tell me Just tell me have you ever really, Really, really, ever loved a woman?
