

# I Want To Wake Up With You

Engelbert Humperdinck

I wanna wake up with you  
I wanna be there when you open your eyes  
I want you to be  
The first thing that I see  
I wanna wake up with you

I wanna lay by your side  
I wanna feel every beat of your heart  
And throughout the night  
I wanna hold you tight  
I wanna wake up with you

All the love inside me has been sleeping  
Waiting till the right one came along  
You can share the love that I've been keeping  
You can put the music to my song

I wanna wake up with you  
I wanna reach out and know that you're there  
I want you to be  
The first thing that I see  
I wanna wake up with you

(With the Chorus)

I wanna wake up with you  
I wanna be there when you open your eyes  
I want you to be  
The first thing that I see  
I wanna wake up with you

All the love inside me has been sleeping  
Waiting till the right one came along  
You can share the love that I've been keeping  
You can put the music to my song

I wanna wake up with you  
I wanna reach out and know that you're there  
I want you to be  
The first thing that I see  
I wanna wake up with you  
I want you to be  
The first thing that I see  
I wanna wake up with you  
My baby, I wanna wake up with you...
