

## il mondo

Engelbert Humperdinck

Stay beside me, stay beside me  
Say you'll never leave me  
How I love you, how I love you  
How I need you, please believe me  
In your arms, I've found my heaven  
And your lips have done their part

Il mondo  
Your love is all I need in my world  
Let tender kisses plead in my world  
How could I ever live without you  
Il mondo  
My heart belongs to you, so take it  
And promise me you'll never break it  
Say you'll stay here in my arms

Stay beside me, stay beside me  
Say you'll never leave me  
How I love you, how I love you  
How I need you, please believe me  
In your arms, I've found my heaven  
And your lips have done their part

Il mondo  
Your love is all I need in my world  
Let tender kisses plead in my world  
How could I ever live without you  
Il mondo  
My heart belongs to you, so take it  
And promise me you'll never break it  
Say you'll stay here in my arms  
Here in my arms
