

# Love the One You're With

Engelbert Humperdinck

If you're down and confused  
And you don't remember who you're talkin' to  
Concentration slips away  
'Cause your baby is so far away

Well there's a rose in the fisted glove  
And the eagle flies with the dove  
And if you can't be with the one you love  
Honey love the one you're with

Well come on and love the one you're with  
Don't be angry, don't be sad  
And don't sit cryin' over the good times you had  
There's a girl right to you  
And she's just waitin' for something to do

Well there's a rose in the fisted glove  
And the eagle flies with the dove  
And if you can't be with the one you love  
Honey love the one you're with

Turn your heartache into joy yaw'll  
She's a girl, you're a boy  
Get it together make it nice  
You ain't gonna need anymore advice  
Well there's a rose in the fisted glove  
And the eagle flies with the dove  
And if you can't be with the one you love  
Honey love the one you're with  
Come on and love the one you're with

Do do do do do do do do do do  
do do do do do do do do do do  
do do do do do do do do do do
