## Love the One You're With

## **Engelbert Humperdinck**

If you're down and confused And you don't remember who you're talkin' to Concentration slips away 'Cause your baby is so far away

Well there's a rose in the fisted glove And the eagle flies with the dove And if you can't be with the one you love Honey love the one you're with

Well come on and love the one you're with Don't be angry, don't be sad And don't sit cryin' over the good times you had There's a girl right to you And she's just waitin' for something to do

Well there's a rose in the fisted glove And the eagle flies with the dove And if you can't be with the one you love Honey love the one you're with

Turn your heartache into joy yaw'll She's a girl, you're a boy Get it together make it nice You ain't gonna need anymore advice Well there's a rose in the fisted glove And the eagle flies with the dove And if you can't be with the one you love Honey love the one you're with Come on and love the one you're with
