Love Will Set You Free

Engelbert Humperdinck

So graceful and pure
A smile bathed in light
No matter the distance
A miracle of sight

Though I should have known
I could not turn away
When faced with your beauty
No reasons can stay

As you kiss him
In the moonlight
With heavy words I say

If you love someone
Follow your heart
Cause love comes once
If you're lucky enough

Though I'll miss you forever
The hurt will run deep
Only love can set you free

Trust in your dream
Run with no fear
And if you should stumble
Remember I'm near
As a ghost I will walk
And look deep in my soul
I might find another
You give me that hope

So as you kiss him
In the moonlight
With heavy words I say

If you love someone
Follow your heart
Because love comes
If your'e lucky enough

Though I'll miss you forever
And the hurt will run deep
Only love can set you free

And if you love someone
Follow your heart
Cause love comes once if you're lucky enough
Though I'll miss you forever
The hurt will run deep
Love will set you free
