My Way

Engelbert Humperdinck

Stay beside me, stay beside me Say you'll never leave me How I love you, how I love you How I need you, please believe me In your arms, I've found my heaven And your lips have done their part

Il mondo Your love is all I need in my world Let tender kisses plead in my world How could I ever live without you

Il mondo My heart belongs to you, so take it And promise me you'll never break it Say you'll stay here in my arms

Stay beside me, stay beside me Say you'll never leave me How I love you, how I love you How I need you, please believe me In your arms, I've found my heaven And your lips have done their part

Il mondo Your love is all I need in my world Let tender kisses plead in my world How could I ever live without you

Il mondo My heart belongs to you, so take it And promise me you'll never break it Say you'll stay here in my arms Here in my arms
